CORPORATE PROFILE

Mabapi Fire Services Training Institute is a Fire Training & Consulting company since 2015. We specialize in Training and Human Capital Development, for both Fire management and technical firefighting skills. In addition to the extensive industrial experience in fire management, we have a pool of experts in our organization specializing in specific areas that serve organizations of numerous industries.

We work together with companies as smart partnership in providing hands-on solutions to help solve day to day business challenges by developing their Fire protection systems, saving lives and protecting their business

We believe in a comprehensive approach – becoming a part of our client's business and knowing as much about their operations and challenges as possible. We want to support you in meeting your needs and most importantly achieving your goals in improving bottom line results and to sustain the competitive advantage.

VISION

To be the number one fire Service training partner organization to Government and Mining Companies in Botswana.

MISSION

To provide quality training to the Fire Service Industry in an effective and efficient manner. Mabapi is committed to providing quality training programs to fire service personnel throughout the country using various technologies and methodologies to meet the needs of the fire service. Mabapi is also committed to certifying fire service personnel throughout the Botswana who meet the certification requirements of the applicable National Fire Protection Association (NFPA).

EXPERTISE

We offer training and experiential learning that are tailored to provide solutions to help increase the productivity, performance and profitability of the manufacturing, transport, banking, trading, hospitality, oil & gas, insurance, banking, property and services related businesses and organizations.

We believe in customizing and developing specific solutions through a collaborative process designed to identify a client's needs, requirements and objectives.

The unique approach combined with the strong faculty of experts, competent trainers, and multilingual facilitators puts our lab in the position to spur the progress of establishment.

Our business focuses on 7 key areas:

- Fire Safety Management
- Special Fires
- Veld Fire Management
- Fire In Construction
- Aviation Fire
- Risk Management
- Basic Firefighting
- Investigation for Marshal
- Health & Safety
- Safe Handling of Hazardous Materials
- First Aid
- Railway Fires
- Pumps & Primers
- Breathing Apparatus

Through years of experience working with different industries, we truly understand the current companies' training needs. Companies no longer needed a theory-based training but a practical training with applicable knowledge.

It is with this in mind that we incorporate to improve the current trend in the industrial training sector. MABAPI is a catalyst for attaching the missing linkage between the knowledge learned, and the practical work applications, with the ultimate goal of providing a long-term SOLUTION to the company.

We listen to understand your issues and business objectives. We work together with you to equip your people with necessary skills, providing them with the right tools to achieve important skills to have the competitive edge.

We believe that training does not stop at preaching in front of a whiteboard. We stress on hands on application, real LIVE experiences and FRONT end technology.

Each consultant is matched to the requirement of the client. They are specialist in their own field who have substantial experience and are able to share gems. We bring to you the front end of technology right in the heart of your company, empowering your staff with global industrial knowledge and current practices.

We are a Solution-Driven organization with customized program dedicated to the essence of training and development. Give us a call today! Our specialized team of consultants will come to your doorstep and listen to your needs and come up with the best human development and training programs, coaching and consultancy for YOU.
